Thank you Tracy,

Do you have any ballpark estimate on when you might have Chapters 1 NPRM and 15 SNPRM reviewed since my office hopes to get those to OMB along with the legal authority chapter?

Thanks again,

Hi Tracy,

Attached are a group of the response to comments chapters for the public comments on the 2018 proposed rule and one chapter for 2020 SNPRM. We'll be sending others over as we finish updating them based on the recent copy of the rule.

I've also attached a list of the comment chapters for the 2018 proposed rule and the 2020 SNPRM. The highlighted items are the chapters I've sent over with this email. I'll be updating the list as we send more chapters over. For the 2018 proposed rule comment chapters, some numbers have been skipped in their numbering.

Also, if you have completed the remaining legal authority sections I sent you on October 30th, please send those back to me and I'll pass them along to the contractor to organize.

Thank you,

Cheryl A. Hawkins, Ph.D.
